Dear Mr Kolaszewski,

**Town & Country Planning Act 1990 (as amended); Greater London Authority Acts 1999 and 2007; Town & Country Planning (Mayor of London) Order 2008
Former Nestle Factory site, Nestles Avenue, Hayes
Local Planning Authority reference: 1331/APP/2017/1883**

I refer to the copy of the above planning application, which was received from you on 30 May 2017. On 19 July 2017, the Mayor considered a report on this proposal, reference D&P/4065/01. A copy of the report is attached, in full. This letter comprises the statement that the Mayor is required to provide under Article 4(2) of the Order.

The Mayor considers that whilst the scheme is strongly supported in strategic planning terms, the application does not yet fully comply with the London Plan for the reasons set out in paragraph 87 of the above-mentioned report. These outstanding matters need to be addressed to ensure accordance with the London Plan prior to the Mayor's decision making stage.

The application represents EIA development for the purposes of the Town and Country Planning (Environmental Impact Assessment) Regulations 2011, as amended. The environmental information made available to date has been taken into consideration in formulating these comments.

If your Council subsequently resolves to make a draft decision on the application, it must consult the Mayor again under Article 5 of the Order and allow him fourteen days to decide whether to allow the draft decision to proceed unchanged, or direct the Council under Article 6 to refuse the application, or issue a direction under Article 7 that he is to act as the local planning authority for the purpose of determining the application and any connected application. You should therefore send me a copy of any representations made in respect of the application, and a copy of any officer's report, together with a statement of the decision your authority proposes to make, and (if it proposed to grant permission) a statement of any conditions the authority proposes to impose and a draft of any planning obligation it proposes to enter into and details of any proposed planning contribution.

Please note that the Transport for London case officer for this application is Clare Seiler, e-mail clareseiler@tfl.gov.uk, telephone 020 7027 9639.

Yours sincerely,
