Dear James Rodger

Our ref: GLA/ 3079a
Your ref: 2373/APP/2019/3747
Date: 07 February 2020

**Town & Country Planning Act 1990 (as amended); Greater London Authority Act 1999 and 2007;
Town & Country Planning (Mayor of London) Order 2008**

**Land North of Cranford Lane Land North of Cranford Lane Harlington UB3 5HA
Local Planning Authority Reference: 2373/APP/2019/3747**

I refer to your letter received by the GLA on 09 January 2020 consulting the Mayor of London on the above planning application, under the terms of the Mayor of London Order 2008.

The applicant proposes: Variation of conditions 14 (Permitted Timeline) and 15 (Phasing) of planning permission Ref: 2373/APP/2005/2815 dated 12/12/2006 (Extraction of sand and gravel;backfilling (including fresh water lagoon) with inert waste; use of land for the recycling of inert construction and demolition waste and retention of temporary buildings for a period of 10 years; restoration of land to agricultural/wildlife habitat to amend the permitted timeline and phasing of works for completion by 30th November 2022.

I have assessed the details of the application and, given the scale and nature of the proposals, conclude that the amendments do not give rise to any new strategic planning issues.

Therefore, under article 5(2) of the above Order the Mayor of London does not need to be consulted further on this application. Your Council may, therefore, proceed to determine the application without further reference to the GLA. I will be grateful, however, if you would send me a copy of any decision notice and section 106 agreement.

Yours sincerely
